

The school has computers with Internet access and other digital devices to help you learn. These rules will keep you safe and help us be fair to others.

Internet Safety @ Rickley Park

Rickley Park Primary School
Digital Technology-Rules for Responsible Use

- I will ask permission from a member of staff before using the Internet.
- I will only log on with my own username and password, which I will keep secret.
- I will not try to access other people's files.
- I will only use the computers for school work and homework.
- I will not bring in any storage devices, such as memory stick or CD, from outside school unless I have been given permission.

E-Mails

- I will only send messages to people I know or that my teacher has approved.
- The messages I send will be polite and responsible.
- I will only attach a file to my messages if it has been checked and is free from viruses and if my teacher has said that I can.
- I will not give out mine or any one else's home address, telephone number or personal e-mail address in an e-mail sent from school.
- I will report any unpleasant material or messages sent to me. I will not delete them until I have reported them.
- I know that the school may check my computer files, including email messages, and may monitor the internet sites I visit.

- *I realise that if I break any of these rules I could be stopped from using the Internet or computers.*

Please complete and return to school.

Name:.....Class:.....

Pupil's Agreement

I have read and understand the rules. I will use all Digital Technology in a sensible way and follow our school rules.

Signed:.....Date:.....

Parent's Consent

I have read the school Code of Conduct and give permission for my child to access the Internet using appropriate technology. I understand that the school will take reasonable precautions to prevent access to unsuitable materials. However, I also realise that the school cannot be held responsible for the content of materials accessed on the World Wide Web.
