Rickle Park Primary School Foundation Subjects - Curriculum Overview

Our unit based approach to the foundation subjects means that we integrate the teaching of science, geography, history, art, design technology and music into a topic. Each topic has a title and a main subject focus but will include objectives for the other subject areas. Units also include opportunities to apply and embed the skills that are taught through the English and Maths curriculum. Separate overviews are produced for English, Maths, PSHE, RE and PE.

	Term 1 (1)		Term 1 (2)		Term 2 (3)	Term 2 (4)	Term 3 (5)		Term 3 (6)
